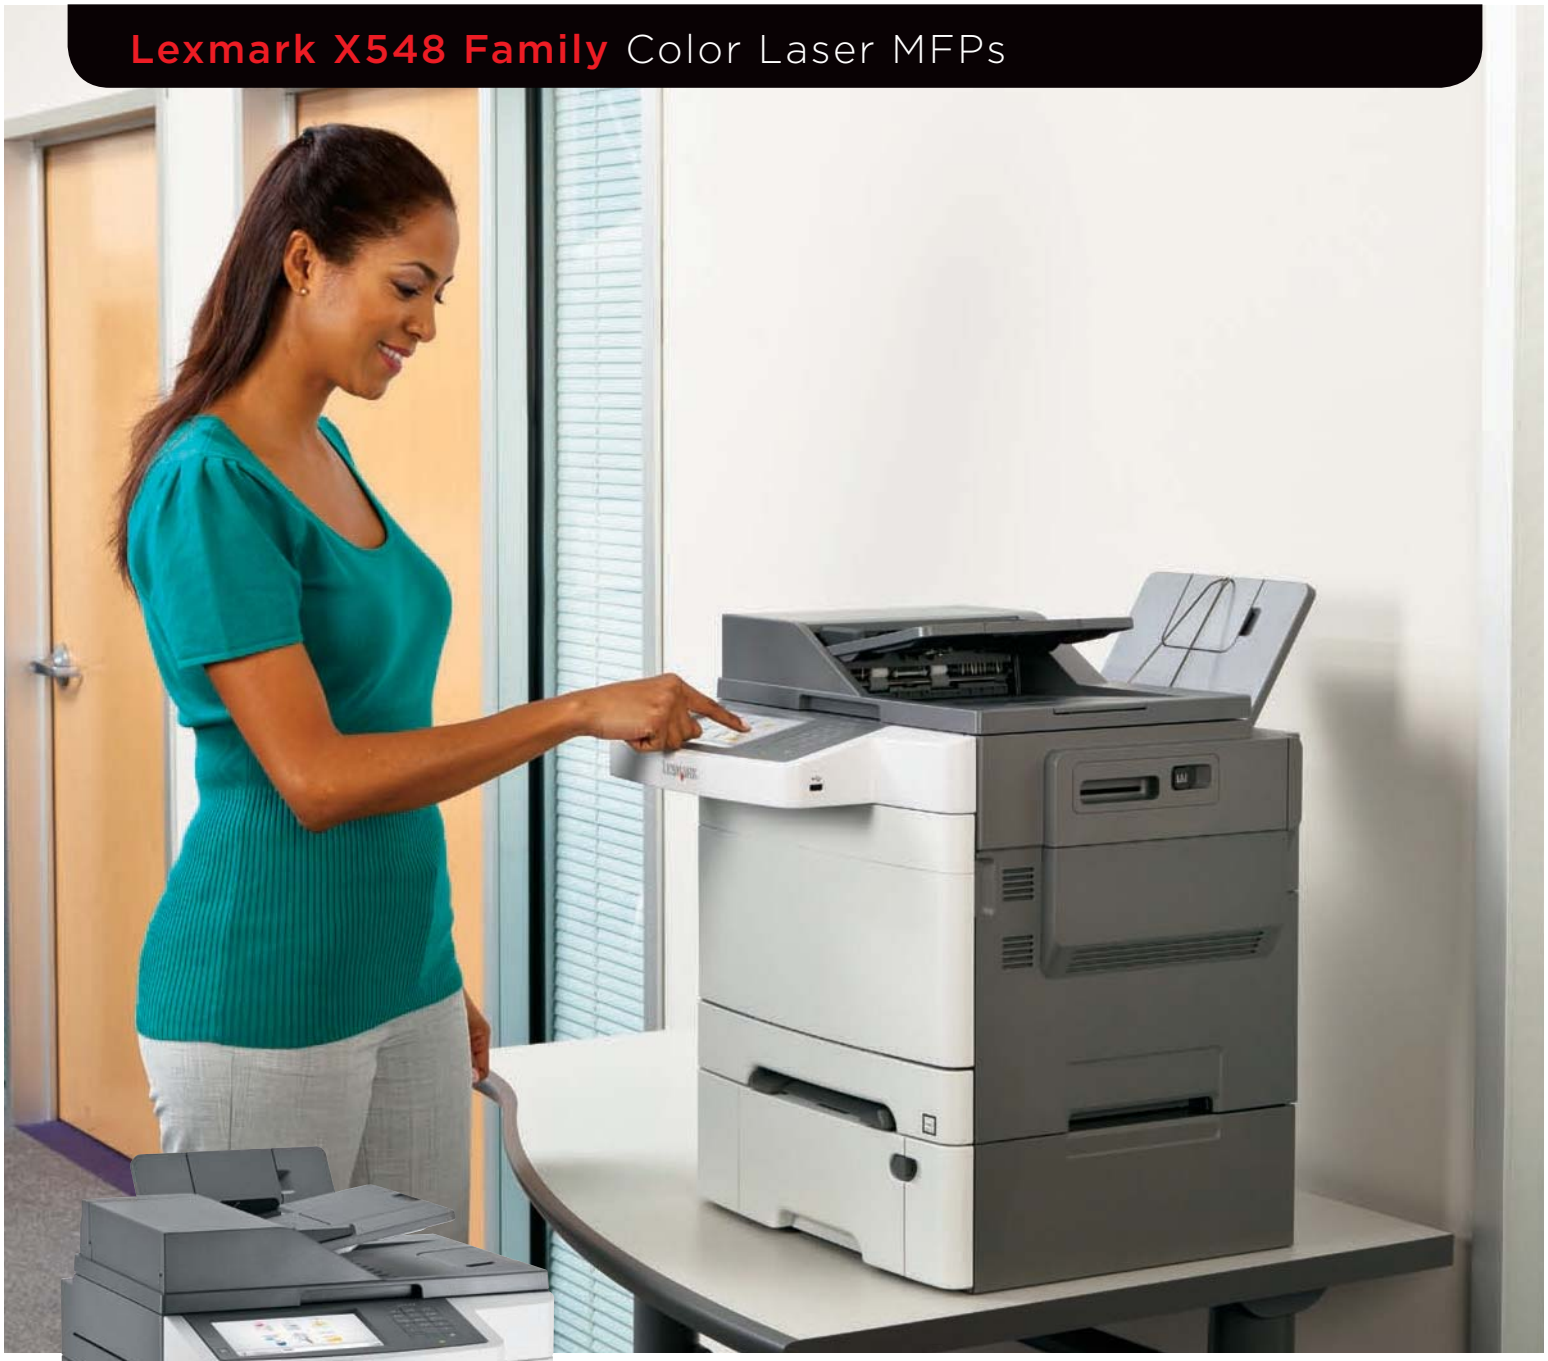
Lexmark X548 Family Color Laser MFPs



Color solutions.
Workgroup productivity.

Lexmark X548 Family

The Lexmark X548 Family gives midsize workgroups outstanding color printing features, productivity solutions, security and a large touch screen—all in a small footprint.

Color | Touch screen | Copy | Scan | Fax | Solutions

Duplex | Up to 25 ppm | Network

LEXMARK™

Lexmark X548 Family Key Features

Features to optimize your work

Lexmark X548de color laser MFP with optional 550-Sheet Duo Drawer with 100-Sheet MPF, 550-Sheet Drawer and Swivel Cabinet.

1) Intuitive color touch screen

The large 7-inch color touch screen allows you to operate your MFP with ease through intuitive navigation, and access to workflow solutions and shortcuts.

2) Duplex automatic document feeder

Save time by scanning both sides of your document with duplex color-scanning capabilities and 50-sheet input capacity.

3) Direct USB

The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with many printable image file formats.

4) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

5) Shake-free cartridges

Toner cartridges never require shaking to deliver their full declared yield. Your MFP ships with Lexmark High Yield 8,000[2]-page black and 4,000[2]-page color toner cartridges.

6) Expandable input

Print on multiple paper types; boost your total input capacity up to 1,450 sheets.

7) Eco-friendly features

Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption and the Sleep Button to save energy.

Lexmark X548 Family Overview

Professional Color Performance

Designed for midsize workgroups that demand more, the Lexmark X548 Family delivers vibrant, professional quality output that is consistent from the first page to the last.

- Print and copy at speeds as fast as 25 ppm in both black and color.
- Instant warm-up fuser provides faster time to first page and reduces energy consumption.
- PANTONE® calibration for consistent color tones.
- Named Color Replacement for easy color matching.
- Lexmark Color Care Technology to manage color use and control costs.
- Print quietly at levels as low as 47 dBA. Reduce sound even more with Quiet Mode.

Productive and Intuitive

The Lexmark X548 Family combines exceptional multifunction performance with time-saving applications, solutions and shortcuts designed to make you more productive. These MFPs can deliver the performance and capabilities of more expensive devices, but with a small footprint and an affordable price.

- Large, easy to navigate 7-inch color touch screen provides audible feedback to make completing tasks intuitive.
- Preloaded applications drive greater efficiency, and Lexmark Embedded Solutions Framework lets you further extend the capabilities of your MFP.
- Print and scan preview features help you select documents or specific pages within a document.
- Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network and more.
- Free device management software is available to centrally track, troubleshoot and manage your devices.

Secure Printing

From the data travelling through your network to the pages being printed, multilayered security features and built-in capabilities help you protect your devices, documents, data and network.

- Supports a variety of user authentication and authorization controls.
- IPSec, SNMPv3 and 802.1x network security are supported.
- Security-audit logging tracks and identifies security risks.
- Advanced hard disk encryption protects sensitive data on the MFP's disk drive (X548dte only).
- Automatic, scheduled or manual disk wiping removes latent data (X548dte only).
- Card reader option allows users to authenticate with proximity or swipe cards.

True. Image. Always.

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliability. Maximize the return on your investment, optimize the performance of your Lexmark printing equipment and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. The X548 Family MFPs are backed by Lexmark's 1-Year Limited Warranty; extended warranty plans are also available.

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend on average up to 6% of their revenue on printing and that active print management can cut office print costs by up to 30%[1], it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Solutions

Save time and money with solutions

The Lexmark X548 Family features the Lexmark Embedded Solutions Framework, our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

The following solutions are preloaded on the X548 Family:

Forms and Favorites

Eliminate waste and inefficiencies associated with pre-printed forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network

Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language[3]

Easily switch the language displayed on the touch screen – 18 languages supported.

The following are just a few examples of solutions available to you through Lexmark authorized partners and dealers, or through a Lexmark Professional Services engagement:

Card Copy

Save time and effort in copying identification cards, licences and insurance cards by automatically scanning, enlarging and printing both sides of a two-sided card on to one side of a sheet of paper.

Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Eco-Settings

Choose from multiple print and copy settings that help reduce energy, paper and toner consumption.

Lexmark X548 Family Highlights

The right touch

The Lexmark e-Task color touch screen is a key access point to your MFP. The large, customizable 7-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as to change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Easy-to-use, intuitive navigation provides fast access to the functions, shortcuts and workflows you use most. New interactive sensory technology provides audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

Enjoy free toner with Lexmark Rewards

Save up to 20 per cent of the total cost of supplies while helping to save the environment. Available with the X548 Family and any Lexmark X540 Series MFP, Lexmark Rewards gives you free high-yield toner cartridges and imaging kits simply for using Genuine Lexmark toner and returning your empty cartridges to us for recycling. Lexmark Rewards members enjoy the following benefits:

LEXMARK rewards
reduce recover reuse recycle

- **Free High Yield Toner Cartridges.** As a Lexmark Rewards member, you will receive a free high-yield X540 Series toner cartridge of your choice for every 10 Lexmark empty toner cartridges you return to Lexmark for recycling.
- **Two Free Credits Per MFP.** As an incentive, we provide you two free credits for each X540 Series device enrolled in Lexmark Rewards.
- **Free Imaging Kit.** For as long as you own your Lexmark X540 Series device and use and return the Genuine Lexmark toner cartridges, we'll send you a free imaging kit whenever your MFP needs one.
- **Fixed Toner Price for Life.** The Lexmark Lifetime Pricing Guarantee for Lexmark Rewards members ensures that the lexmark.com price of toner for your X540 Series MFP will not be increased for as long as you own your device.[5]

Eco-responsible printing

The X548 Family makes it easy for you to print responsibly. Features include duplex to save paper, Eco-Mode to reduce paper and toner consumption and the Sleep Button to help you save energy. With its instant warm-up fuser, the X548 Family also helps conserve energy while you enjoy a faster time to first page.

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
